The college has implemented the legal aid and awareness activities with full strength and zest in this academic year after a challenging year of pandemic 2021-2022 when most of the individual and societal face to face connections were lost and are only on virtual mode. The students participated with full zest and zeal in these activities in this academic year and delivered a lot to the society at large wholeheartedly. They disseminated on various legal provisions under different laws relevant with the public at large and the Constitutional Provisions.
