N.B. THAKUR LAW COLLEGE, NASHIK-422005**

**DELHI STUDY TOUR REPORT 2024**

NBT Law College, Nashik had organized a Supreme Court visit/Educational tour on 22<sup>nd</sup> February 2024. The visit started on the morning of 22<sup>nd</sup> February 2024 from Nashik Road Railway Station.

All the students and faculty members alike were deeply excited as the trip began with travelling to Delhi via Train. Due to some unavoidable circumstances the train was late by a few hours but that did not boil down the enthusiasm of the kids to have a once in a lifetime experience of the Supreme Court.

This visit was not only limited to the Supreme Court i.e the Judiciary but also involved visiting the 3 heads of the State that is Executive - President, Legislative - Parliament, and finally the Supreme Court that is Judiciary.

**Day 1**

The students reached Delhi on the morning of 23<sup>rd</sup> February 2024 and proceeded to reach the hotels via buses. Unfortunately, the train was a few hours late and students missed out on visiting Indian social institute, I.S.I.I And Human Rights commission. Since the students were really exhausted, they decided to spend the night visiting India Gate and having a relaxing evening in the cold weather of Delhi admiring the beauty of India gate and the War memorial. Students then got to visit one of the most beautiful and oldest Gurudwaras of the country that is Bangala Sahib Gurudwara. Students awed in fascination as the gurudwara was so beautiful it could not be expressed in words.

**Day 2**

The Itinerary for day 2 involved visiting the President's Museum wherein students experienced the magnificence of all our presidents' history, their achievements and a lot of informative and fascinating artifacts which helped the students understand their country's rich history. The artifacts included clothing and apparel of our great ex-Presidents, the gifts they got from foreign diplomats and nations, medals and achievements, crockery and furniture, life size models of various Presidents and portraits and paintings from famous artists.

After having lunch, students proceeded to visit the President's house. The President's house was a marvelous structure spread across a built-up area of 33 acres. The Rashtrapati Bhavan was divided into 4 wings each having its own significance. The

students got to experience and visit 2 out of the 4 wings and had a firsthand experience of the residence of one of the most secure and privileged buildings of the country. Visiting the Rashtrapati Bhavan motivated and sparked a sense of nationalism amongst the students.

In the evening, the students visited the Akshardham Temple. The temple was massive, attracting crowds from all over the world. The students felt a sense of purity and enlightenment as they prayed for their mental and physical wellbeing. The temple was beautifully constructed depicting India's rich cultural history.

### **Day 3**

Students spent their Sunday visiting Qutab Minar in the morning where they saw the 72 meters tall tower which was completed by King Iltutmish, students also saw his tomb and another unbuilt structure which was supposed to be taller than the Qutub Minar.

Students then proceeded to have lunch and visit the Lotus temple which is a temple open for all religions, that is, it is secular in nature. People of all religions visited the temple and offered prayers.

Then the students visited the Massive Red fort of Delhi built by Shah Jahan and saw all its praying halls, govt buildings and structures and the Veranda from where the Prime minister hoists the flag every year. The Red fort denotes the rich history and architectural marvel of India's ancient kings.

To end the night, students visited the Sarojini market for street shopping. There they discovered the vibrant and diverse market of local handlooms, apparel and electronics.

### **Day 4**

Day 4 was the visit to the Apex court of the country i.e.- The Supreme Court of India. The visit started with visiting the Judges Library where students got to see the 3 lacs plus books which the judges used for reference. The entire structure was massive and was situated in a newly constructed building.

Then the students proceeded to visit the supreme court of India. Unfortunately, as it was Monday, interns were not allowed inside the court and students could only roam around and see the premises of the court. Students then proceeded to visit the 2 museums of supreme court which had a lot of ancient and modern artifacts including portraits of our first chief justice, various gavels, the coin collection, historic judgements dating back to early 1900s, photos of oath taking ceremonies, 3d model of the supreme court to understand its structure and a copy of our constitution to name a few.

Students then proceeded to visit the Bar council of India but because of Traffic they were slightly late. The secretary of Bar council of India greeted the students and gave

them an overview of the Advocates Act, 1961. He gave them some real life examples but unfortunately, he had some urgent work and had to cut his session short.

The students then proceeded to Noida Hotel where they had DJ night. The students had enriching dinner and danced away all their tiredness.

### Day 5

Day 5 was the visit to the Legislative head i.e. The Parliament. After undergoing thorough scrutiny, the students were given a tour of the old Parliament building wherein they got to sit inside the old Lok Sabha and Rajya Sabha visitors' gallery; the students had an interactive Q/A session with the Tour guide who was very informative. The students also got to see the common hall where all the Presidents so far have resided and given a speech. While ending the tour, the tour guide gave the students information about the structure and function of the new Parliament building along with an overview of the building from outside.

Member of Parliament Mr. Hemant Godse had arranged for lunch for the students at the Maharashtra Sadan as a gesture to support this educational tour. The entire premises were lavish and felt very special as it was Marathi language day.

Students then boarded the bus and proceeded to Agra.

### Day 6

Day 6 i.e. 28<sup>th</sup> Feb 2024 started with an early breakfast and a visit to Taj Mahal. Students understood why the Taj Mahal is one of the seven wonders of the world. Students saw the White marble architectural marvel and the engineering involved in building a palace on a river bank. Students then left to have lunch and proceeded to a leather shop to buy hand stitched leather clothing.

Finally, students went on to have dinner at a nice restaurant with garden seating where they sat and had their dinner reminiscing their entire Educational tour. Principal Dr. H.A. Kadri, Tour Coordinator Dr. Manish Sonawane, co-coordinators, Prof. Pratiksha Kelkar, Prof. Nita Akotkar, Prof. Yash Mandlik and Non-Teaching Staff Shri. Tanmay Borude took efforts to make this study tour successful.

Students then travelled to the railway station and boarded their train back to Nashik from Agra.

**CONDUCTED ON 20TH MARCH 2023**  
**AT SHREE ACCOUNTANCY CLASSES, NASHIK**

Every law school has to establish a legal aid clinic that is formally affiliated with the District Legal Services Authority at a District Court. The District Legal Service Authority offers the legal aid clinic support and direction. Orating skill is one of the main skills of a lawyer. A good lawyer is always a good orator.

Legal Awareness Camps improve the orating skills of law students. The legal profession is expected to play a dynamic role in the administration of justice. Law Schools being the recruiting grounds for the legal profession, there is a need to inject new spirit into the content of legal education to make lawyers and legal professionals socially relevant and professionally competent to secure the constitutional mandate of access to justice.

Everyone flashing their creativity with great joy. The further task was a group activity in which every group was asked to present their expectations in the workshop on a chart paper with a group discussion. The leaders expressed their opinions of 'should and should not' which were welcomed by the facilitators. After the lunch the programme was resumed with singing songs altogether.
