Trial Education Programme (TEP)

The College has developed a Trial Education Programme (TEP) in association with Nashik Bar Association since 2014-2015. This programmes enables the development of basic knowledge and professional attitude in budding lawyers especially with reference to the trial Courts. TEP is organized taking into account the differing needs and interests of students, who in our college mainly hail from the rural areas. Trial in the lower courts is generally the beginning point of the career of most students. In 2023- 24 the TEP was conducted from 18-04-23 to 04-05-23. This programme lays emphasis on enhancing practical orientation of students. The main practical aspects covered under the TEP are fundamental rules and procedures of conducting trial. Members of the Nashik Bar Association (most of who are our alumni) guide students on various themes This year the TEP included sessions on Sessions Trial, Law relating to Confession and Discovery, Law relating to Bail, Practical aspects of Criminal Trials, Burden of Proof, Post Mortem Report, Investigation by Police , Matrimonial Offences, Sentencing Policy by Probation of Act and Contradiction and Omission. The sessions were highly interactive allowing for the transfer of knowledge and experience from senior Lawyers to students through deliberations.
