In the year 2023-24 we organized the 16th edition of this competition on 23/02/2024 and 24/02/2024. This is a unique competition that gives students the opportunity to understand the procedure of Trial. Many institutions organize Moot Court Competitions but we specifically choose to organize the Moot Trial because it is the foundation of law practice. This competition offers practical legal skills, courtroom experience, and opportunities for honing research, oral advocacy, and writing abilities. 23 teams from Maharashtra participated this year in this event.
